Hi Aaron,

Here is the outreach from Great Streets for the businesses. I know you said your team could help do outreach on this, so let me know the areas they will target. We are encouraging businesses north of Chandler to attend one of the two locations at Robertson Honda or Roma Deli, and figured those to the south may be interested in attending the one the BID is hosting,

Thanks again for your assistance in outreach. Also, be sure to have your outreach staff tell anyone that even if they cannot attend a workshop, or the community meeting through the Midtown Neighborhood Council, that their COMMENTS/QUESTIONS are *strongly encouraged* by filling out a survey/questionnaire on the Great Streets website (Which is included on the attached flyer).

Thanks,

Jackie Keene

To:

Dear North Hollywood community member,

Lankershim Blvd was designated one of the City of Los Angeles's Great Streets in 2014. The City is planning changes in 2017 and 2018 to Lankershim Blvd between Magnolia Blvd and Vanowen Street that include:

- Reducing travel lanes to improve safety
- Improving bike and pedestrian connections
- Calmer traffic for a safer drive, walk and ride
- Trees, landscaping and green infrastructure

It's important that you provide input and feedback so we can address your concerns and incorporate your ideas. There are four upcoming opportunities to learn more about the project and give feedback.

Please RSVP to greatstreets@lacity.org if you plan to attend.

If you cannot attend, please visit <http://lagreatstreets.org/lankershim> to learn about the project and take our survey.
